**Please Note: Although the Legal Assisting Internship may be taken by Post-Baccalaureate Certificate students during their second semester, it is strongly suggested it be taken alone, in the student's third semester.

The Paralegal Studies Program is offered for paralegal education and provides course work and practical experiences designed to develop the knowledge and communication skills necessary for contribution to the legal profession. Paralegals may not provide legal services directly to the public except as permitted by law.

This Certificate serves as an excellent **"pre-law"** track for student wishing to go to law school.
