Papers, 1944-1986

Biographical Sketch

Joseph Ralph Scalzo was born June 18, 1920 in Newton, New Jersey, where his father owned a monument company. Although his mother died when he was only three, he and his six sisters had a happy family life centered around music. By the eighth grade, Scalzo could sing and play the violin and all the brass instruments between the coronet and the tuba. His wrestling career, which came to consume much of his life, began in the third grade. Throughout high school and college, he was active in wrestling and other sports, as well as the glee club, band, orchestra, and a fraternity. Scalzo graduated from the University of Pennsylvania with a degree in chemical engineering in 1941 and immediately became a full-time employee of Sun Oil in Philadelphia.

In 1944, Scalzo was transferred to Sun Oil in Toledo, and shortly thereafter married Edith Gyer of Pennsylvania. They had six children, four girls and two boys. Within Sun Oil, Scalzo was promoted several times, retiring in 1978 with the position of Manager of Employee Relations and Plant Services.

Scalzo's love of wrestling and commitment to creating a local program led him to establish and coach a YMCA wrestling team in Toledo from 1944-1951. During this time, he enrolled in the University of Toledo's School of Law, graduating in 1948 with a Doctor of Jurisprudence (cum laude). Scalzo's association with the University led to his founding and coaching the university wrestling team (1949-1968), which never suffered a losing season under his direction.

In 1952, Scalzo began his national and international career in sports outside of his full-time job at Sun Oil. He served as a referee, a judge, or as a coach at several Olympic Games including Helsinki (1952), Melbourne (1956), Rome (1960), Tokyo (1964), and Mexico City (1968), and became a member of the Olympic Board of Directors Executive Committee in 1973.

Scalzo's interest in amateur athletics also led to his involvement in the Amateur Athletic Union (AAU). In this capacity he directed two world championship tournaments (1962 and 1966) in Toledo. From there he became president of the Ohio AAU, and eventually in 1973, president of the National AAU. At the same time, Scalzo also represented the U.S. in the International Amateur Wrestling Federation (FILA).

Wrestling and Sun Oil were not Scalzo's only interests. Among his other pursuits were his service as president of the Board of Trustees of the former Parkview Hospital and president of the Toledo Opera Association. He was a member of the boards of other civic organizations, including the North Toledo Old Timers Association and the Lake Erie Machine Co., Inc. He also served as a member of Toledo City Council from 1958-1960. In addition, Scalzo had an ongoing interest in furthering his education, graduating in 1961 from Columbia University's Executive Business Administration graduate program.

Despite retiring from Sun Oil in 1978, Scalzo did not stop working. He continued to inspire young athletes through the motivational speeches he gave and his continued efforts toward improving the AAU. Late in his life, Scalzo also became a Senior Partner in the Law Firm
